

MEETINGS & EVENTS

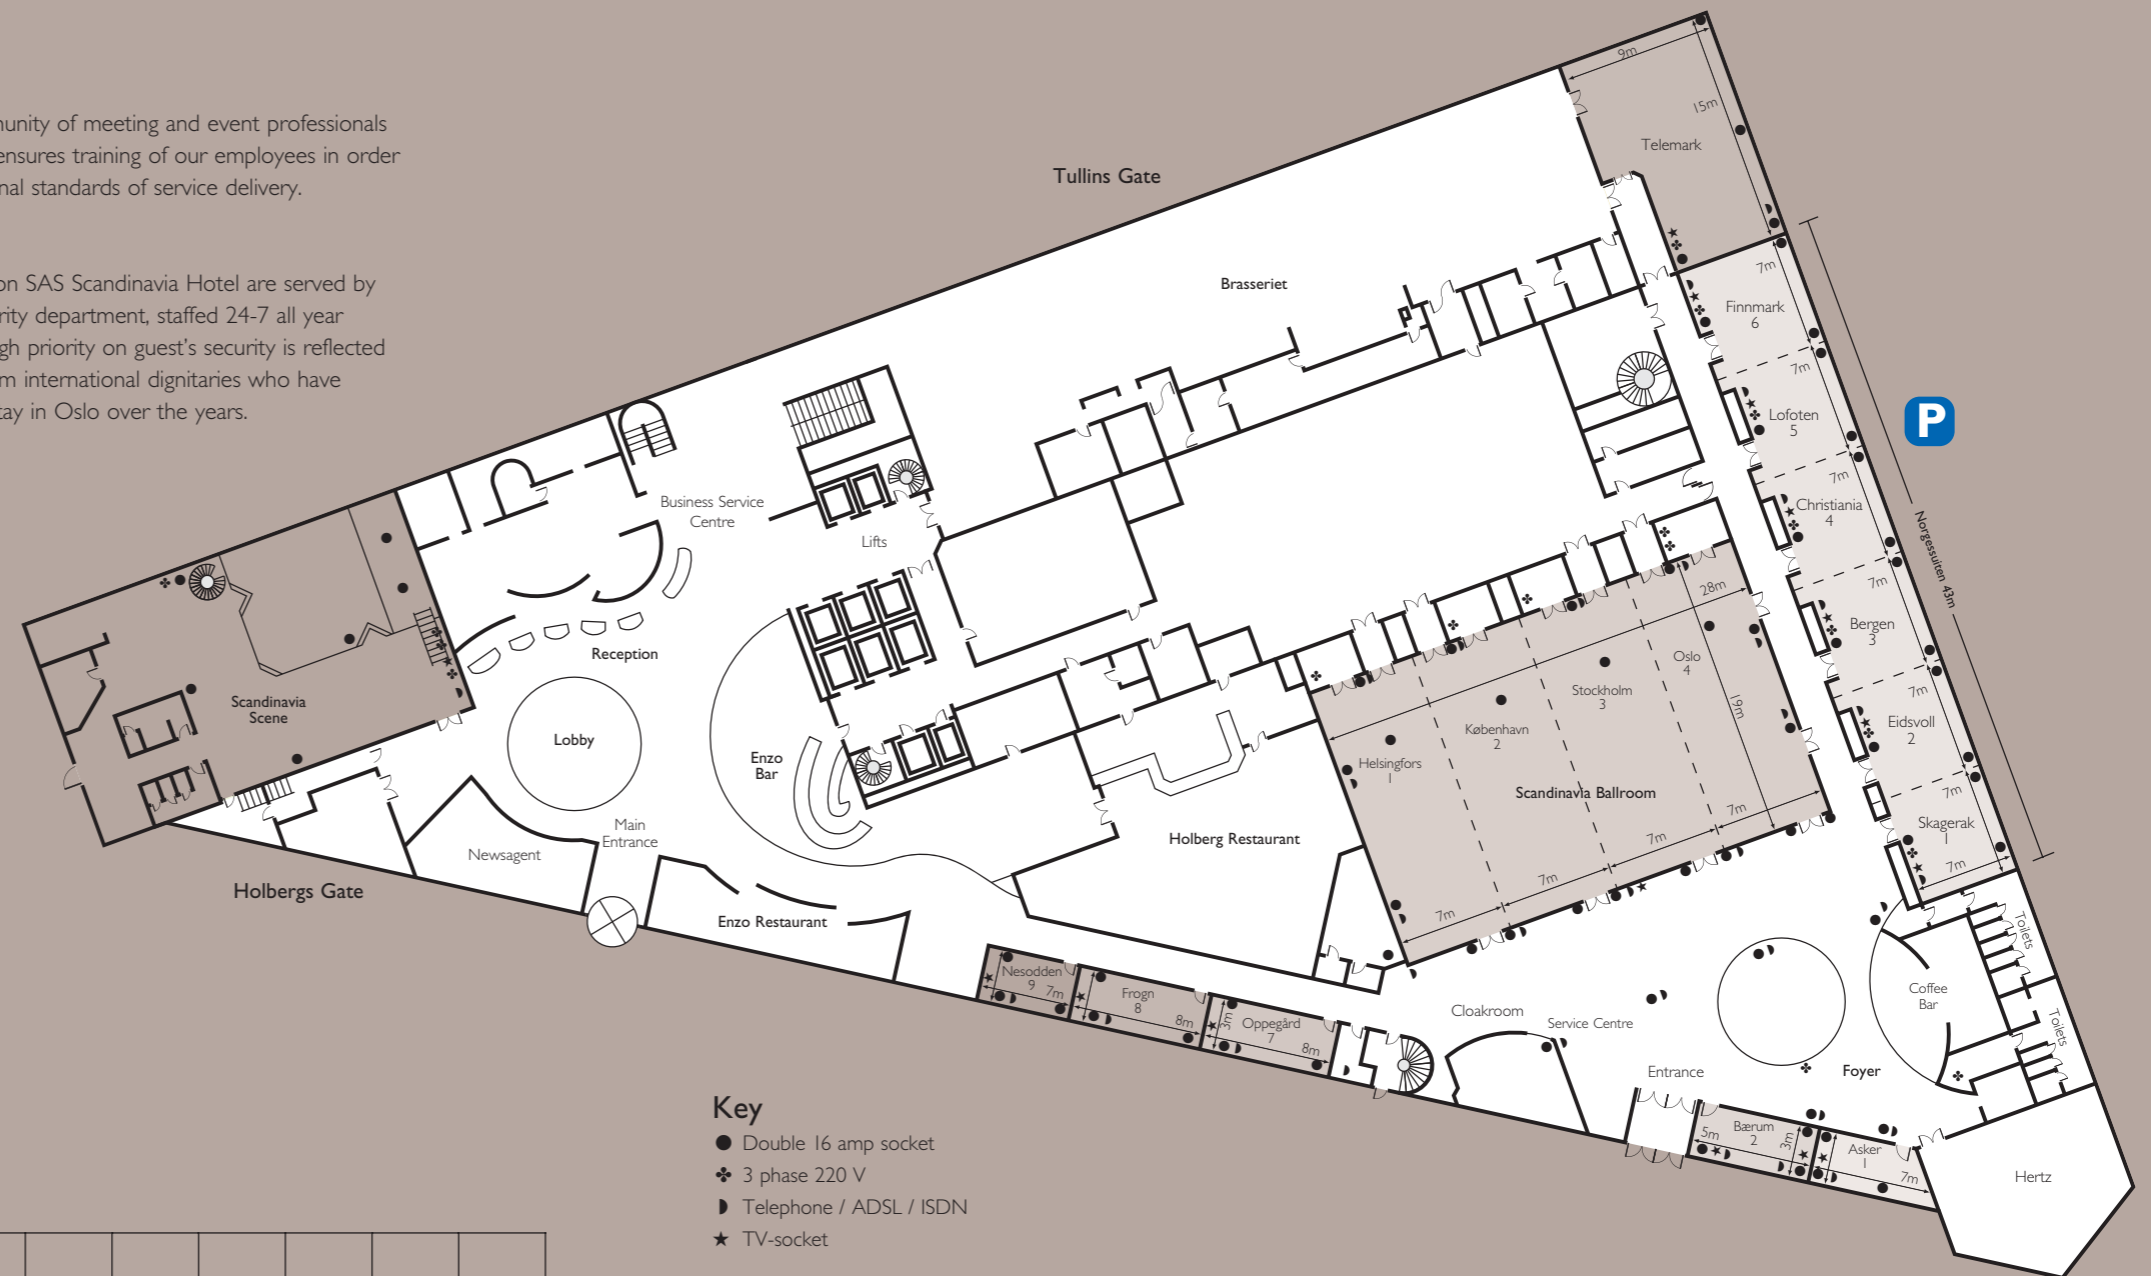

The Radisson SAS Scandinavia Hotel is an experienced conference, banquet and events venue. With 2,000 square meters of flexible meeting and exhibition space, we can easily handle all types and sizes of functions, while still providing the personalized service for which we are known. The hotel's dedicated Meetings & Events' staff can help you plan a great event, offering not only beautiful and innovative event space, but also an ideal location close to transportation and major attractions. Our spacious, downtown-Oslo meeting facilities offer everything to meet your needs. All 18 well-equipped meeting rooms are uniquely located in the same area, all on the ground floor. The Scandinavia Scene and Scandinavia Ballroom can welcome major events, both with various breakout rooms easily accessible.

Whether it's an intimate meeting for two or a conference for 1000, from the first contact with the Meetings & Events Reservation Department, you will be assigned a personal contact, who will assist you throughout the event. The quality of our services is very important to us and therefore the Radisson SAS Scandinavia Hotel is a preferred partner of the Meeting Professionals International.

MPI is a global community of meeting and event professionals and the partnership ensures training of our employees in order to provide international standards of service delivery.

Security

Guests at the Radisson SAS Scandinavia Hotel are served by the hotel's own security department, staffed 24-7 all year round. The hotel's high priority on guest's security is reflected in the many visits from international dignitaries who have chosen us for their stay in Oslo over the years.
