Radisson **SAS**
HOTEL, LEEDS

Located in the heart of the city, the award winning Radisson SAS Hotel, Leeds is built in the former head office of the Leeds Permanent Building Society. The hotel brings the old and new styles of Art Deco gracefully together making it perfect for unique accommodation, meetings, events and dining.

Leeds has an enviable position being home to some of the UK's largest financial institutions and is often thought of as the financial capital of the north of England. Also a great leisure destination, Leeds embraces well-renowned galleries, theatres and numerous designer retail outlets.

WELCOME

This Grade II listed building was meticulously restored in 2002 into one of the city's finest hotels, the Radisson SAS Hotel, Leeds. Built in the former head office of the Leeds Permanent Building Society, the hotel is adjacent to the Town Hall, within easy reach of the main business districts, shopping areas, bars, restaurants and the train station. Located within The Light complex, guests can enjoy a wide range of shops and leisure facilities without even stepping outside.

ACCOMMODATION

The Hotel offers 147 en-suite bedrooms, comprising 107 Standard Class and 40 Business Class rooms, located on levels 2 to 6. All have been thoughtfully appointed making the best out of the original building's character and endless interesting shapes. Complimentary WiFi Internet access is available to the hotel's residents, within the bedrooms, meeting facilities and public areas, by using their room number.

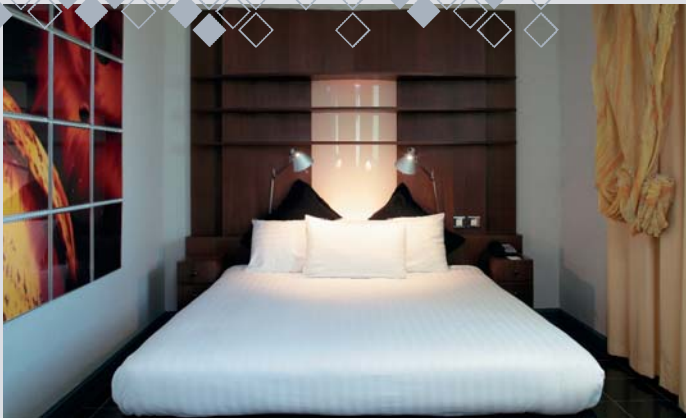

RESTAURANT & BAR

Sit near the modern open fire and enjoy the chic yet informal ambience of The Lounge, where the contemporary surroundings elegantly blend an Art Deco twist with the features of a listed building. Popular with both visitors and Leeds' residents, The Lounge is a hive of activity throughout the week with warm, friendly service. There is a wine and cocktail list with something to please any connoisseur and cuisine, which has been designed to suit varying tastes.

MEETINGS & EVENTS

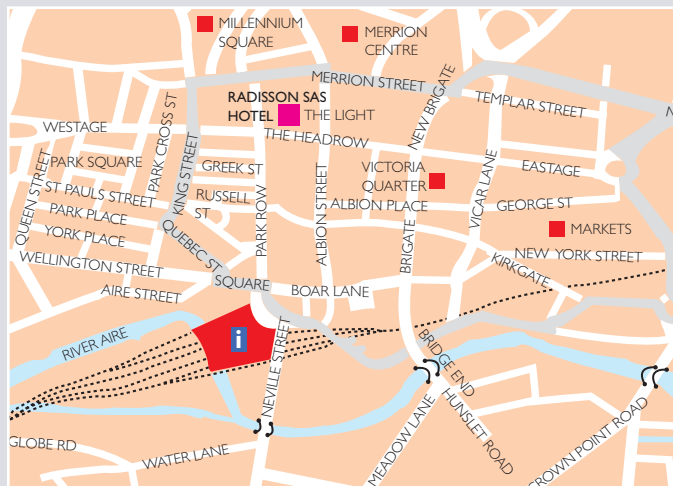

The challenges of working with a listed building had no effect on the transformation of two dedicated conference levels within the hotel. The eight dedicated rooms offer first class meeting facilities coupled with a service to anticipate every business need and are perfect for small to medium meetings. The unique Presidential Boardroom offers the perfect setting for that important meeting or cocktail party.

FITNESS & RELAXATION

The Radisson SAS Hotel Leeds is pleased to offer Business Class guests complimentary use of the Esporta Health and Fitness club, which is for adults only. Other guests can make use of these facilities for a nominal charge.

The club is situated within The Light complex and has a fully-equipped gym, pool, Jacuzzi, steam room and sauna. Beauty treatments and a hair salon are also available at an additional charge.

Gym, pool, Jacuzzi, steam room and sauna after a busy day!
