Senior Managers Conference March 2008

Niamh Gilmore - On behalf of Xtra-vision

A short note to say a Big Thank You for all your help with organising our conference earlier this month. The feedback I received was excellent. Our directors specifically commented on the professional way in which they were dealt with throughout the day and also the food was a huge hit. If you can pass on our thanks to the Chef and his staff I would greatly appreciate it. These conferences are very important to our business and it is imperative that everything goes according to plan on the day, given that all our directors and senior managers are in attendance. Please pass on our thanks to all staff involved. Once again, thank you for everything. I will be in touch shortly as I have another smaller District conference to organise.

Charity Table Quiz March 2008

Lynn Buffington, General Manager Mid West Spina Bifida and Hydrocephalus

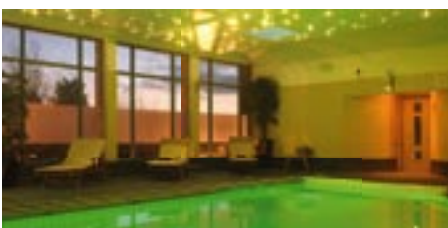

I can honestly say there was not one thing that could have been improved on. From the fabulous champagne reception and canapés upon arrival to the departure of the very last guests, you and your staff looked after every detail with courtesy and professionalism. We have received numerous phone calls complimenting us on the event. Needless to say, I am giving the Radisson all the credit and deservedly so. We raised €7080 on the night and I can assure you, we had a million euro worth of fun in the process. On behalf of all of our members, a heartfelt thank you.
