

# FACT SHEET

## Welcome

The Radisson SAS SkyCity Hotel is conveniently located in the Arlanda airport at the SkyCity Centre, between terminals 4 and 5. The Stockholm city centre is just 20 minutes away by the Arlanda Express high-speed train and other nearby towns are also easily accessible by public transportation. SkyCity has a vibrant atmosphere and has many shops, cafés and restaurants, as well as banks, pharmacies, hair salons and health centres. Our hotel is an oasis of calm in the heart of the hustle of the Arlanda airport. Guests can relax and recuperate after a hectic day of work or travel. Our recently renovated and modern lobby and lounge is popular for casual business meetings and is frequented by guests who use our fully-equipped Business Centre.

## Rooms

Our 230 recently refurbished rooms are individually designed in four distinct styles: Chilli, Ocean, Urban and Scandinavian. We also offer Business Class rooms and suites with extra amenities such as daily newspaper, free pay television, coffee and tea making facilities and bathrobes.

Non-smoking and interconnecting rooms as well as rooms for disabled guests are available upon request. Free Broadband access is available in all rooms and public areas to guests who

spend the night in the hotel. Our hotel has been certified with an excellent fire safety rating and all our rooms are sound proof and have individual climate control.

## Dining

The Stockholm Fisk Restaurant offers a wide range of delicious fish and shellfish dishes as well as exciting alternatives for guests who prefer meat or vegetarian dishes. The hotel bar with its view across SkyCity is a popular meeting place for our guests. Both the restaurant and bar have panoramic views across the airport runways.

From 5 a.m. every morning we serve Super Breakfast Buffet, our large breakfast buffet with a selection of the very best in breakfast foods to get your day off to a good start.

## Fitness & Leisure

After a long day on an airplane or in business meetings, we welcome you to our health centre for some well-deserved relaxation for the body and soul. The S.A.T.S. health centre offers various kinds of fitness training facilities, as well as a Jacuzzi, solarium and sauna.
